# Neighborhood Development Outlook Update

**1 Terra Centre Elementary School renovation** 6000 Burke Centre Parkway.

The project by Henley Construction Company, Inc., includes renovating the 68,500 square feet of the previous school building, as well as 20,500 square feet of additional space. The majority of construction was completed shortly after the end of the school year.

**2 Penn's Crossing Subdivision** Braddock Road and Dequincey Drive.

Construction is still underway on this ten-home infill project located around Braddock Road and Dequincey Drive. The land had been owned by the Penn family and sits within the Briarwood area.

**3 Woodglen Lake Dredging** Burke-Fairfax Station.

Fish relocation to Lake Accotink took place in November 2014. The lake's water has already been completely drawn down, and the notice to proceed with dredging was given to the contractor on April 7. The \$3 million project is still in progress and projected to be completed in October of this year. During fish relocation, workers discov-

ered invasive Grass Harp fish and Gizzard Shad, a species not normally found in lakes.

**4 Lake Royal Dredging**

Royal's 10 acres of dredged material will be more difficult to relocate than Woodglen's five acres. Design for the dredging is in its final stages and the project, one of supervisor John Cook's (R-Braddock) highest priorities, his office said, is sched-

uled to receive funding after July 1, 2016.

**5 Silas Burke House property** Along Burke Lake Road between Burke Centre Parkway and Shiplett Boulevard.

Sunrise Senior Living is planning to build an assisted living facility behind the Silas Burke House, but requires an amendment to the county's Comprehensive Plan that would allow for a higher residential density for the area. The Board of Supervisors approved the project after a July 28 public hearing, so the next step is a site plan review.

**6 Park Glen development** 5 acres around 6408 Spring Lake Drive.

The developer Van Metre is working on a subdivision of 12 single family homes, with construction on utilities, sewer lines and an entrance road about to begin.

**7 Pilgrim Community Church** 4925 Twinbrook Road.

The plan for a 20,687-square-foot addition to the church with private school on 5.16 acres zoned R-1 is about ready for con-

struction.

**8 New Chick-fil-A** 5793 Burke Centre Parkway.

Chick-fil-A is moving into a former bank building near the Burke Kohl's. Their plans were recommended to the Board of Supervisors by the Planning Commission after a July public hearing. A public hearing with the Board is scheduled for Sept. 22, with a potential next step being the site plan review. The Board's approval could allow for construction to begin before the end of 2015, with an estimated opening in late 2016.

**9 Townes at Burke Lake Crossing** 9537 Burke Lake Road.

The plan proposed by Christopher Companies for 12 townhomes at the intersection of Burke Lake Rd. and Shiplett Blvd. in Burke is scheduled for a Planning Commission public hearing on Sept. 24.

# NEWCOMERS & COMMUNITY GUIDE

## The Best of Braddock District

### Supervisor John Cook (R-Braddock) recommends places to see in his district.

**Lake Accotink Park's** 493 acres include a 55-acre lake, wetlands and streams offering unique views of waterfowl and marsh life.

Picnic areas, playground, pavilions, trails and open play fields are open daily year-round, 7 a.m. to dusk. Facilities and activities vary with the season and include bike rentals, canoe and pedal boat rentals, boat launch, tour boat rides, fishing, pavilion shelters and picnic areas with grills (some areas may be reserved, call 703-324-8732), restrooms, playground, sand volleyball court and basketball court.

Situated along the Cross County Trail, the park also has a four-mile loop, natural-surface hiking/biking trail. Boats powered by electric motors, sailboats under 15 feet and kayaks are allowed on the lake. Pay \$2 launch fee at marina.

Swimming, windsurfing, paddle boarding and gas powered boat motors are prohibited. A Virginia State Fishing License is required for fishing.

**The Center for the Arts** is the centerpiece of performing arts on the Fairfax campus of George Mason University. Each year the Center welcomes thousands of community members into its 2000-seat Concert Hall for performances by renowned professional artists, accomplished faculty, and emerging student artists.

Great Performances at Mason, an annual season of national and international artists, features the best of classical music, opera, jazz, world music, dance, theater, global music and dance, and more. The Center for the Arts is also the performing home for the Fairfax Symphony Orchestra.

**Fairfax Corner** is a beautiful mixed-use shopping center that offers main street style shopping at both national chains and local boutiques. It features fun events and entertainment, a state of the art movie theater and some of the best restaurants around.

Fairfax Corner also combines office space for rent and residential living to make it the ideal place to live, work, dine and shop.

**Oak Hill Mansion**, a privately owned 18th century Georgian-style home, is all that remains of the Ravensworth Tract – totaling more than 22,000 acres – dating from the 1670s.

Under an innovative agreement involving the County, the Park Authority and the Northern Virginia Conservation Trust, the home is privately owned and maintained, but preserved as a historic site and open to the public up to four times per year.

**The EagleBank Arena** (originally the Patriot Center) is a 10,000-seat arena located on the campus of George Mason University. It has attracted 9.6 million people to over 2,958 events.

On May 7, 2015, George Mason Univer-

Cook

sity announced that the name would be changed on July 1 to "EagleBank Arena at George Mason University," following a partnership deal with EagleBank. It's a great place to check out a sport-

ing event or concert.

Bruce Springsteen, Keith Urban, Bob Dylan, Ricardo Arjona, Enrique Iglesias, the Harlem Globetrotters and Disney on Ice are only a few of the concerts and family shows that have performed at the arena over the past 29 years.

**Royal Lake** is a 42 acre lake is filled with fascinating wildlife within the woodlands and on the lakefront, including nocturnal animals such as bats and opossums. The lake itself contains bass, sunfish, crappie and catfish. There is also a two mile trail that circles the lake, making it a great spot for a run, a bike ride or a just a relaxing stroll.

**Wakefield Chapel** was built in 1899 on land donated by local sawmill owner, Oliver Besley.

The chapel was named for its first local preacher, the Reverend E. W. Wakefield, a colorful figure in Virginia Methodism and a Union Officer during the Civil War. The building served as a community church until 1951, and was later turned over to the Park Authority to be preserved for future generations.

A country Gothic structure with white clapboard siding and arched windows, Wakefield Chapel is a quaint setting for weddings or other services and ceremonies. It features original pews, two stained-glass windows and a beautifully restored pulpit.

**Audrey Moore Recreation Center** at Wakefield Park is approximately 76,000 square feet in size and houses a 50m pool with one 3m and two 1m diving boards. The natatorium also contains spectator seating, doors that lead to a spacious outdoor sundeck, and locker rooms containing saunas and showers. In addition to the various racquetball and squash courts, the center has a large gymnasium with six basketball hoops, and volleyball nets.

The center also contains a cycle studio, a dance room, a pottery lab and kiln, an arts and crafts room, three multi-purpose activity rooms, and a senior center. Wakefield Skate Park, located next to the rec center, offers a chance for people of all ages and skill levels to enjoy the thrills and excitement of skateboarding, inline skating, and BMX biking on our Freestyle and Competition courses.

## INSIDER TIPS

### What is your favorite place in your community?

— COMPILED BY ARISA ISHITA

**Diana Bharucha, senior research analyst, lived in Burke in 1995 and has recently moved back to Burke Centre:**

"I would say Burke Lake Park because of the lake and different activities there. Also, living near the VRE is convenient to get into D.C. The third thing I would say is Burke Centre has its trails to enjoy nature in your own backyard."

Sitting on one of the benches by the Lake Barton, Bharucha says she sometimes sits there and reads a book on the phone. She describes the environment as "nice and peaceful."

**Daniel Collings, movie theater manager, resident of Burke for 15 years:**

"I like Villa Bella. They have really good pizza. They have a real brick oven. [Their] pastas are good too. Sometimes, I go there, pick up the pizza and go home."

**Kelly Fadl, homemaker and school volunteer, resident of Burke for six years:**

"Burke Lake Park has walking/biking trails, seasonal miniature train ride, carousel, ice cream parlor and small boat rental. Fishing is allowed with license if 16 years or older. To me, the beautiful, peaceful setting, it is relaxing, and really pretty." Fadl — who grew up in Colorado — says nature there is beautiful all year round and that is part of the reason she also likes Burke Lake Park.

"Another fun place is going to Spartans Restaurant. It is a nice place to eat and talk with family, friends and neighbors. They have a nice community atmosphere and you feel like you are part of the community when you are there."

**Cathy Noonan, assistant branch manager at the Kings Park Library in Burke, resident of Springfield for 27 years:**

"The best place in Burke is the Kings Park Library. We have great free programs for children and adults, English classes, books in Korean, Spanish and Vietnamese, Internet access, free Wi-Fi, a big collection of fiction and nonfiction for both children and adults, databases like Ancestry.com and Valueline, and reference librarians to help. All this plus comfy chairs, easy parking and a helpful staff." Noonan also adds, "I like Burke for its friendly people and good restaurants."

**Felix Olivera, construction worker, resident of Burke for 13 years:**

"Burke Lake Park, because we got bigger space for playing, barbecue, basketball and volleyball. A lot of space over there." Olivera says he has several brothers living in Woodbridge and when they visit him, he would like to take them to Burke Lake Park to have some fun.

## NEWCOMERS & COMMUNITY GUIDE

# Welcome from Police Chief Ed Roessler

Dear Community Members:

The Fairfax County Police Department was established on July 1, 1940 and today we have an authorized strength of 1,372 sworn law enforcement officers who protect and serve the communities of the County. On average, officers respond to over 400,000 calls for service each year. As we engage with the communities we serve, we understand our profession must always assess our services and constantly strive to challenge each other to re-engineer how we deliver essential law enforcement services in a community that exceeds 1.1 million residents. We are fortunate to have an engaged community which continues to assist us in preventing and fighting crime, increasing the culture of safety to preserve the sanctity of life for all, and keep pace with rapid urbanization.

Your Police Department proactively undertook an independent review of its use of force training, and related policies and procedures. The review, conducted by the Police Executive Research Forum, proposed 71 enhancement recommendations. The core theme of change is adopting the philosophy of the sanctity of life in all we do. We have initiated policy changes and embarked on many training programs which embrace state-of-the-art decision making models and best practices for de-escalation and escalation techniques and new initiatives to safely interact and divert from jail those suffering mental illness. Currently 43 percent of our patrol officers are certified in Crisis Intervention Team training and all recruits now receive parallel training.

Other recent policy changes include the concepts of being able to hold and contain events in order to develop successful resolutions to each call for service when possible.

In 2014 the Police Department began a

**Chief Edwin C. Roessler Jr.**

self-assessment process to align all of its policies and procedures to comply with several hundred national standards established by the Commission on Accreditation for Law Enforcement Agencies. The on-site assessment, required to obtain accredited status, is scheduled for early 2016 and will be conducted by assessors from outside the Commonwealth of Virginia. The Department continues to maintain its accredited status from the Virginia Law Enforcement Professional Standards Commission.

During the last year the Department's social media presence has continued to expand in efforts toward sharing more information with the community. Recently the Department posted 10 years of officer-involved shooting case summaries and data on our public web site. Our goal is to share

information on officer-involved shooting cases in order for the community to better understand the investigative processes of these events and to engage in dialogue on these matters.

In 2013, the Department created a Chief's Council on Diversity Recruitment. Its strategic mission is to assist the Department to increase the cultural diversity of the sworn, civilian, and volunteer workforce to better reflect the diversity of the communities we serve. When visiting the Chief's web site you can view the diversity scorecard accountability measure, read the Council's strategic plan document, and learn about the varied volunteer opportunities you can engage in with the Police Department.

Several community members have graciously volunteered time from their busy personal lives to establish and serve on a Communities of Trust Committee which is comprised of all public safety agencies and reports directly to the chairman of the County Board of Supervisors. This effort aligns well with recommendations from the Task Force on 21st Century Policing. Many forums have been held throughout the community and numerous initiatives are in development to increase public engagement with the community to build upon mutual trust.

The Police Department, along with the Community Services Board, other public safety agencies, and mental health advocates have partnered to develop additional crisis intervention programs, including a drop off center which will provide a viable jail diversion alternative for those in mental health crisis. We look forward to achieving this critical strategic goal.

In recent years a majority of our homicides have been domestic related. On July 1, 2015, the Fairfax County Police Department launched a Lethality Assessment Pro-

gram in which all patrol officers have been trained to administer an assessment to provide resources to victims of domestic violence which are available 24/7. This program truly demonstrates engagement with many partners who share our goal in increasing services and eliminating domestic violence.

In early 2015 another community engagement endeavor was launched with the creation of the Ad Hoc Police Policy and Practices Commission. This Commission is comprised of five sub-committees which are conducting reviews of the Police Department as related to use of force; communications; recruitment, diversity, and applicant vetting; and independent oversight and investigations. The Commission will make recommendations to the Board of Supervisors this fall. The Police Department is highly engaged with all of the community members serving on the Commission and we look forward to positive change recommendations to better serve all of Fairfax County.

The Police Department values technology advances and we are migrating to a new records management system to assist all personnel in achieving an intelligence led community policing model. The Department is also preparing to institute an electronic summons system for issuing traffic and criminal violations. Our patrol cruisers are equipped with in-car video recording devices and we are exploring the viability of body worn cameras with community stakeholders.

Welcome to Fairfax County, a great place to live, work, play and grow old.

— CHIEF EDWIN C. ROESSLER JR.

# NEWCOMERS & COMMUNITY GUIDE

## About the Connection

### Keep in Touch

**LETTERS TO THE EDITOR:** Email to [editors@connectionnewspapers.com](mailto:editors@connectionnewspapers.com) or submit online at <http://www.connectionnewspapers.com/contact/letter/>

**A**s your local, weekly newspaper, the Connection's mission is to deliver the local news you need, to try to make sense of what is happening in your community, to gather information about the best things in and around your community, to advocate for community good, to provide a forum for dialogue on local concerns, and to celebrate and record achievements, milestones and events in the community and people's lives.

Here in our Newcomers and Community Guide, we've included an expanded and updated version of our award-winning Insider's Guide to the Parks, plus details of how to vote in the upcoming elections, information on local government, nonprofits and business organizations, plus tips and tidbits from the community.

We invite newcomers and long-time residents alike to let us know how we're doing and let us know what is going on in your part of the community. If you have questions or ideas, send us an e-mail or call us, contact us on Facebook or send us a tweet. We invite you to send letters to the editor or to send an email with feedback about our coverage.

We want to know if someone in your family or your community published a book, started a business, became an Eagle Scout, raised money for a good cause, accomplished some feat like running a marathon, supporting a cause or having art included in an art show. We publish photos and notes about personal milestones and community events, including births, engagements, weddings, anniversaries, awards and obituaries.

We are also interested in events at your church, mosque, synagogue, community center, pool, school, club, etc. Email us a note about the event, being sure to include when and where the photo was taken and the names of all the people who are in a photo. We also publish notes about news and events from local businesses. Notes about openings, new employees and anniversaries are welcome. It is especially important to us to let people know about events ahead of time in our calendar of events. We appreciate getting notice at least two weeks ahead of the event, and we encourage photos.

Your community Connection newspaper is one of 15 papers published by the independent, locally owned Local Media Con-

nection LLC, serving the suburbs of Metropolitan Washington in Northern Virginia and Potomac, Md.

Our flagship paper, the Alexandria Gazette Packet, is one of the oldest continuously publishing papers in the country, beginning publication in 1784.

The Connection Newspapers have won hundreds of press awards in just the past few years, including the Virginia Press Association Award for Journalistic Integrity and Community Service, Best in Show for our Insiders Guide to the Parks, first place for our community guides, plus awards in news, art, business, special projects, sports, entertainment, design, photography and much more.

We have staff and contributors here at the Connection with remarkable talent and experience, far greater than one might expect. We continue to publish 15 distinct papers every week that serve their communities in distinct ways.

We welcome contributing writers, with the caveat that our freelance pay is nominal; if you are interested in covering news or events in your community, email [editors@connectionnewspapers.com](mailto:editors@connectionnewspapers.com). We offer summer and year-round educational internships with information at [www.connectionnewspapers.com/internships](http://www.connectionnewspapers.com/internships).

In addition to our weekly coverage, we have monthly special focus pages on Wellbeing; Education, Learning, Fun; and HomeLifeStyle, plus other seasonal specials including Real Estate, Senior Living, Fall Fun, Food and Entertainment (also Winter, Spring and Summer), a twice annual Pet Connection, and others. If you have story ideas for these, email [editors@connectionnewspapers.com](mailto:editors@connectionnewspapers.com); if are interested in marketing, email [sales@connectionnewspapers.com](mailto:sales@connectionnewspapers.com).

## Meet the Candidates for County Board

All politics is local, in Fairfax County, too: Who runs for Board of Supervisors in November?

You may be surprised – or dismayed – to learn that the 10 men and women who occupy Fairfax County Board of Supervisors wield enormous power and influence over your everyday lives.

They set your tax rate, fund the public school system, and determine priorities and policies for issues ranging from affordable housing, homelessness and human services to economic development, traffic calming and the environment.

They manage a \$7 billion budget, larger than the budgets of four states, and rule over a county with a diverse, well-educated population of more than a million people.

Their decisions can propel our community forward – or cost us our first-rate status in education, livability and culture.

If you happen to meet them this election season, thank them for the long-awaited Silver Line expansion, a success that directly benefits you and your property values. Or, you may want to chide them for the extra \$185 you will pay in property taxes this year, or the generous \$20,000 pay raise they gave themselves after increasing your property taxes.

They do want to hear from you. What they don't want to hear are complaints about potholes on your road. Not because they don't care, but because they can't do anything about it.

In the Commonwealth of Virginia, the state builds, maintains and operates local roads. Transportation funding, you will quickly learn, is a perennial hot topic in the Virginia General Assembly.

So is redistricting, also known as gerrymandering, which has kept the Commonwealth in another form of gridlock as Republicans and Democrats struggle ceaselessly for control of the legislature.

Another perennial problem is the socioeconomic divide between affluent Northern Virginia (NOVA) – where you now reside – and the Rest of Virginia (ROVA) – where a chunk of your tax dollars disappear. NOVA gets less back from Richmond than we send down there, and so Northern Virginians have the privilege of paying extra taxes (and tolls) to fund the badly-needed improvements to our transportation infrastructure. It drives us a little crazy.

As a newcomer, you may wonder why we still call ourselves a “Commonwealth,” instead of just an ordinary state. Good question. Virginia retained this nomenclature – as did Kentucky, Massachusetts and Pennsylvania – when we adopted our first constitution in 1776, most likely to emphasize the fact that our new government was based upon the sovereignty of the people united for the common good. If we're re-

ally honest, we are also very proud of the ruckus we kicked up with the British Monarchy when we declared our independence. There's a reason our state motto is “Sic Semper Tyrannis,” Latin for “thus always to tyrants.”

So, dear newcomer: Wherever you are from, you are here now. In the Old Dominion, the Mother of Presidents. Let that sink in for a moment.

We hope you will appreciate the fact that you are here, reading this guide, during an important election season. We assume you will join the ranks of Fairfax County's prolific electorate, where nearly 43 percent of residents cast their ballots last year, and vote on Nov. 3.

To make it a little easier for you, and give you the opportunity to feel like “political insiders,” we asked each of the 19 BOS candidates to give you their answers to questions specifically geared toward newcomers.

Their responses are unedited and enlightening. We hope.

**Current Board of Supervisors. From left: Catherine M. Hudgins (D-Hunter Mill District), Michael R. Frey (R-Sully District), John C. Cook (R-Braddock District), Gerald W. Hyland (D-Mount Vernon District), Sharon Bulova (Chairman, At-Large), Penelope A. Gross (D-Mason District, Vice Chairman), John W. Foust (D-Dranesville District), Jeffrey C. McKay (D-Lee District), Pat Herry (Springfield District) and Linda Q. Smyth (D-Providence District).**

### Questions

1) What should newcomers know about the impact the Board of Supervisors has on their daily lives? In other words - what do you do at the county level that's important enough to compel newcomers to vote in this election?

2) To make newcomers feel at home, what's a “must-see” place or event you recommend they check out in Fairfax County or your district?

3) What's your favorite sports team?  
4) Fairfax County gained national and global Twitter prominence earlier this year when outraged FCPS students started the Twitter hashtag #closeFCPS after school officials did not call a snow day when it actually snowed. What Twitter or Instagram hashtag would you like to see trending in the coming year about Fairfax County or your district?

#### ANSWERS: OLESZEK

1) Newcomers to Fairfax County should know the famous quip “all politics is local.”

Local politics IS the Fairfax Board of Supervisors, who decide on issues and policies that direct our police, emergency and fire departments, while at the same time fund our public schools, parks, libraries and social services. Water, sewers and garbage collection are important duties of the Board too. So you can easily see that your vote will directly influence who will be making the decisions that affect your daily life and protect the quality of our community. In this election, we will be deciding on issues of importance such as the future of Braddock Road, which voters will be hearing more about from me.

2) Braddock District is home to some of the very best high school athletic programs in Northern Virginia, so come check out some of the games during fall sports season this year! You can meet me at the Friday night football games.  
3) We are a baseball family. My sons and husband love the Nationals. Their love and enthusiasm for the game has rubbed off on me. Go Nats!  
4) #keepBraddockBeautiful

#### ANSWERS: CAMPBELL

1) It's your money. Vote. Help decide how your taxpayer cash is, or isn't spent! The Board of Supervisors decides the property tax rate for our homes. It sets fees. The Board then decides how money

is spent. How much? Over \$7 billion bucks last year.

I'm the Independent candidate in the nonpartisan Braddock District race. I'm for Green Growth. Smart Growth. The Green New Deal. Positive eco-solutions for the economy. Invest in money-making infrastructure. Get a return on our investment. Rail, bikeable, walkable, pedestrian-friendly communities increase the value of our homes, businesses, communities. That grows revenue for our schools, police, and fire departments.

You can make all the difference by voting. Your vote. Your money. Our community.

It's about your money. Let's grow our community, and get solid returns on investments in our community.

I ask for your vote for Braddock District Supervisor!

2) Must see: This Plus Green house. Plus means it creates more energy than it consumes.  
Check out my house! 51 solar panels. Geothermal heating and cooling.  
The first year installed the solar and geothermal produced 10 times the energy the house consumed. I'm making money. You can too! The exact same way. Every quarter I receive a check for my (SRECs). Last quarter the check was almost \$1,400.00.

Here's the check on my Facebook page.

“I'd like to see #FairfaxModel become a trend for what we are doing in the area of mental health. I want others to look to us the way we are looking to Memphis and Bexar County for examples of how to adequately train public safety to deal with people suffering from mental illness and diverting those individuals from jail into treatment.”

#### ANSWERS: PARKER

1) Your commute depends on politics. More Trains, Less Traffic! Trains as fast as planes. Nationwide and local rail feeder systems. We need light rail to serve tourists and

VRE service throughout the day and on weekends. The BOS can pressure the Virginia General Assembly and Virginia Congressional delegation to remove the barrier that prevents building rail mass transit and to encourage renewable energy – solar, wind, geothermal. Rail built anywhere in America benefits ALL of America.  
2) Check out Channel 10's Green TV on Cox, Verizon or Fios. Visit us on YouTube: search for Independent Greens of Virginia or GailforRailParker YouTube channel.

Dr. Melanie Wilson Hartman

## Dear Neighbors,

We would like to take this opportunity to introduce you to Dr. Erika Anderson, who joined our practice as an associate earlier this year. Dr. Anderson is a double graduate of Creighton University, earning her B.S. in Biology from the College of Arts and Sciences and her D.D.S. from the Creighton School of Dentistry. Although originally from North Dakota, Dr. Anderson fell in love with Northern Virginia after multiple educational experiences here during her college years, and she has practiced in the area for the past five years.

Dr. Anderson is a member of the Academy of General Dentistry, the American Dental Association, the Virginia Dental Association, and the Northern Virginia Dental Society. Dedicated to staying up-to-date on the latest dental innovations, Dr. Anderson has completed over 200 hours of continuing

education, including programs at the Dawson Academy and the Kois Center. At our practice she will be a participating dentist for both Delta Dental and United Concordia.

Most importantly, Dr. Anderson embraces our core dedication to providing top-quality, innovative general and cosmetic dental services with a caring and personal touch. Whether you need a simple restoration, preventative care or the latest cosmetic procedure, our patient-friendly team will help you love your smile!

So please join us in welcoming Dr. Anderson to our practice. We are thrilled to have her and are confident that she has a bright future. And as always, thank you for the many referrals of your family and friends, and for your continued support.

With warm regards,

Drs. James L. Gyuricza and Melanie W. Hartman

## Braddock Neighbors:

One of my most important jobs as your County Supervisor is to keep you informed of county issues and important neighborhood events.
