NEWCOMERS & COMMUNITY GUIDE

Welcome to Fairfax County

BY SHARON BULOVA
CHAIRMAN, FAIRFAX COUNTY BOARD OF
SUPERVISORS

Northern Virginia Community College are located just down the road for affordable higher education opportunities in many different subject fields. Our business-friendly economy ensures career opportunities for both our older and younger residents.

On the local government level, the Fairfax County Board of Supervisors is constantly hard at work to ensure quality public services for our residents. Our 10-member Board of Supervisors strives to maintain positive community engagement, while strategically planning for the future with land use and infrastructure decisions.

Some recent accomplishments include updating many of our police policies, establishing a Diversion First program for people with mental illness who become involved with law enforcement, and successfully extending Metrorail to Tysons and Reston, with Phase 2 of the Silver Line currently under construction all the way to Dulles Airport and into Loudoun County.

Fairfax County offers opportunity and quality services for residents of all ages. People from all over the globe have made Fairfax County their home, enriching our community with their diverse cultures and entrepreneurship. Please visit www.fairfaxcounty.gov or www.fxva.com to learn more about what Fairfax County has to offer you and your family.

As chairman of the Board of Supervisors, I am elected at-large by Fairfax County residents. My office is here to serve you. If you have any questions or concerns, please email me at chairman@fairfaxcounty.gov or give my office a call at 703-324-2321. I hope you will sign up to receive my monthly Bulova Byline newsletter that will keep you up-to-date on what is happening in your community! Welcome to your new home.

Welcome to Fairfax County, one of the greatest places in the nation to live, work, play and raise a family. Fairfax County is home to a thriving business community, vibrant entertainment and shopping destinations, a world class university, beautiful parks, and a diverse population of engaged residents. Whether you are a long-time resident or are new to the county, I hope you'll take some time to visit some of our most popular spots to enjoy what Fairfax County has to offer.

Tysons Corner and Fair Oaks Malls, Reston Town Center, Fairfax Corner, Springfield Town Center and the Mosaic District are great places to shop, eat and spend time with friends. For cultural destinations, George Washington's Mount Vernon Estate and Wolf Trap National Park for the Performing Arts are two of my favorites. And for enjoying the arts along with community gatherings like Springfest and Brewfest, the Workhouse Arts Center in Lorton is a must. For fresh air and exercise, I recommend our extensive network of trails, parks and RECenters.

While there are a lot of fun things to do in Fairfax County, our community is notorious for our "work hard, play hard" ethic. Time Magazine has described us as the epicenter of the Washington region's job boom and one of the great economic success stories of our time. Fairfax County is home to eight Fortune 500 company headquarters, more than 8,400 technology firms, and over 116.2 million square feet of office space.

Fairfax County has one of the best public school systems nationwide with a graduation rate topping 90 percent. Our school system is the 10th largest in the country with nearly 187,000 students and 196 schools and centers. After high school graduation, George Mason University and

County Schools: Teaching for 21st Century

What's new at Fairfax County Public Schools.

BY DR. KAREN K. GARZA
SUPERINTENDENT, FAIRFAX COUNTY
PUBLIC SCHOOLS

Welcome to the 2016-17 school year in Fairfax County Public Schools.

With each new school year, we have the wonderful opportunity to build upon our previous successes and continue to improve our work with our students.

We are continuing to look to our Portrait of a Graduate and our strategic plan in shaping our future work. Our most pressing challenge is making this vision a reality for every child in our system. How do we refine what we do to ensure that all of our students graduate well-prepared for this rapidly changing world? We acknowledge that this is a daunting challenge, but there is no school system in the United States more well-prepared and well-equipped to effectively respond to these important issues.

The goals of education can no longer simply be to provide the basic literacy skills for the majority of the students, while reserving the teaching of skills for higher order 21st century thinking for a select few. As we learn more about the skills our students will need for success in this changing world, we recognize the need to innovate — to consider new and

different ways to design instructional practices to support the development of these essential skills.

We are also working to define contemporary teaching and learning practices while better integrating technology. For

example, through a pilot program we are calling FCPSOn — this year we begin evaluating how digital resources can best scaffold that model — and how we provide teachers and students with the tools and policies needed to facilitate the use of that

technology.

One change you will see this school year is a new central website and a new FCPS logo. Our new website will better serve everyone — it is mobile responsive, features more modern design — and search will work. As we modernized our website, we also believed it was time to reimagine the FCPS logo. While the previous logo has served us well for 40 years, we heard from many that it was time to transform our logo to one reflective of who we are now and who we aspire to be in the years to come.

Our new logo includes a tie to our legacy, while representing our role as a catalyst — sparking curiosity, learning and excellence for our students, employees and community.

I wish all students, teachers, parents and the entire FCPS community a very successful and fulfilling school year in FCPS where all are engaged, inspired, and thrive.

'Insider's Tip' to New Businesses

Fairfax County Economic Development Authority helps in starting or expanding business in the county.

BY GERALD L. GORDON
PRESIDENT AND CEO, FAIRFAX COUNTY
ECONOMIC DEVELOPMENT AUTHORITY

If you are new to Fairfax County, welcome to one of the world's most interesting places to live and work. If you are new to the county and are interested in being part of our dynamic business community, here is an "insider's tip" that you will want to know: The Fairfax County Economic Development Authority

(FCEDA), works with everyone who wants to start or expand a business in the county.

For aspiring entrepreneurs, we host "Entrepreneurship 101: Starting a Business in Fairfax County" workshops almost every month. Some 4,000 people have attended one of these workshops since 2003 and you will find a wealth of local, state and federal resources to help you map out starting a business here. If you need office space, the FCEDA helps businesses find the office space they need so they can grow in the county.

We have a complete database of office space options in every part of the county, and we can help you navigate that process so you become an established part of the business community.

Why do we do this? The Fairfax County Board of Supervisors charged the FCEDA with building a business community — help companies create jobs and fill office space — to build the commercial tax base. This generates revenue that the Board of Super-

visors uses to fund the full range of high-quality public services for which Fairfax County is well-known. Building the commercial tax base means that residents don't have to pick up all the costs of providing those services.

The FCEDA has been working for more than 50 years with entrepreneurs and owners of businesses of every size to enlarge the commercial tax base and make the Fairfax County economy one of the strongest anywhere. Visit www.fairfaxcountyleda.org to see how the Economic Development Authority can help you.

History Revisited at Gunston Hall

George Mason's home hosts events on life in the 18th century.

George Mason's Gunston Hall is looking for volunteers who love history and would enjoy sharing that passion with young people. Volunteer docents at Gunston Hall in Lorton lead school tours about Mason and his ideas, as well as life in the 18th century.

Docents become part of the Gunston Hall Docents' Association, a dedicated group of volunteers. Visitors to the museum step back in time as they discover the history of Virginia and one of the country's founders. Volunteers discuss topics such as the American Revolution, the writing of the Constitution, the fight for a Bill of Rights, and George Mason's masterwork, the Virginia Declaration of Rights. Plus, they help students investigate the lives of people who lived on a Virginia plantation, from the gentry to the people who were enslaved.

This historic site is located in southern Fairfax County in a beautiful wooded setting, just minutes from I-95 and US Route 1. Docents help young people learn about these important and fascinating topics by being enthusiastic, friendly, committed to historical accuracy, available on weekdays during the school year. Training starts in October. For more information or to receive an application, call 703-550-9220 x238 or write to rebecca.martin@gunstonhall.org. George Mason's Gunston Hall, jointly administered by the Commonwealth of Virginia and The National Society of The Colonial Dames of America, is a site dedicated to the study of George Mason, his home and landscape, and life in 18th-century Virginia.

Gunston Hall's mission statement is "to utilize fully the physical and scholarly resources of Gunston Hall to stimulate continuing public exploration of democratic ideals as first presented by George Mason in the 1776 Virginia Declaration of Rights."

History Preserved At Pohick Church

During the Colonial period, Pohick Church was the congregation of many of the country's most prominent families, including the Washingtons, Masons and Fairfaxes. This historic colonial church has been restored back to the days when George Washington and George Mason were members of the vestry, and is still an active Episcopal congregation of families, seniors and singles.

On Sundays after the 9 and 11:15 a.m. services, as well as on the first Saturdays of every month, members of the Docent Guild lead free guided tours on the history of the church, including architecture, preservation, and colonial church history. Members of the commu-

nity are welcome to join the Docent Guild as well, with training workshops provided twice a year. Other community events throughout the year include the Crab Feast Dinner and Country Fair in September, the Christmas Mart in November, George Washington Birthday Service and Breakfast in February, St. Patrick's Day Dinner in March, Sounds of Pohick Music Concert in June, and a summer Vacation Bible School.

For more information call the church office at 703-339-6572 or visit our website at <http://www.pohick.org>. Pohick Church is located at 9301 Richmond Highway in Lorton, at the corner of U.S. 1 & Telegraph Road, close to Mount Vernon and Gunston Hall.

Springfield Town Center — 6500 Springfield Mall: Next to open at the 1.35 million square-foot revitalized shopping center will be the Saks Fifth Avenue OFF 5TH discount fashion clothing store. Later stages of redevelopment planning for the area include residential, office and hotel space — the timing of which is all market-dictated.

Vulcan Materials Graham Quarry — 10000 Ox Road: Fairfax Water is planning to reconfigure the quarry as a reservoir in two phases: Phase I will establish storage of around 1.8 billion gallons 2035, while Phase II should add another 15 billion gallons of storage capacity by 2085.

Woodglen Lake Dredging — Southeast of Sideburn Run and Zion Drive: The project began with fish relocation to Lake Accotink in November 2014 and is now complete. The contractor added vegetative plugs to the bottom of the lake that will support a new fish population. Over the summer, the Department of Game and Inland Fisheries will begin restocking the lake with fish, the first in a three-year cycle.

Places to See in Springfield District

Supervisor Pat Herry recommends some of the many places worth visiting in his district.

BY SUPERVISOR
PAT HERRY
(R-SPRINGFIELD)

There are so many quality places to visit in the Springfield District, it is hard to pick the “top ones.” Here is my attempt.

Burke Lake Park is the most visited park in Fairfax County’s Park system, and after going there you will see why. The park contains a trail that goes around the lake and is great for walking, with or without your dog, running and cycling. There is also fishing, boat rentals, camping, disc golf, mini-golf, an 18 hole golf course, a driving range, volleyball courts, a miniature carousel, and miniature train. There’s something for everyone. Burke Lake Park is located at 7315 Ox Rd, Fairfax Station, VA 22039

Make sure to catch your fill of **Friday Night Lights!** The Springfield District has some of the best high schools both academically and athletically in the country. As a West Springfield High School alumnus, there’s few things I enjoy more than getting to a football game in the fall where there’s a buzz in the air and a little snap of cold from the changing seasons. So cheer on your local high school team at West Springfield, Lake Braddock, South County, or Robinson.

The newly opened **Children’s Science Center Lab** in Fair Oaks Mall is a fantastic museum that allows children, and their parents, to get hands on experience with STEM concepts (Science, Technology, Engineering and Math). Education is so important, and this museum which is designed for kids between 2 and 12 years old does an excellent job of challenging and shaping young minds. Be sure to stay and shop and/or eat at one of the best malls in the area. The Fair Oaks Mall is located at 11948 Fair Oaks Mall, Fairfax, VA 22033.

Attention history buffs: **Ox Hill Battlefield Park** is the site of the only major Civil War engagement in Fairfax County. Interpretive kiosks at the park present information about the battle and its significance and offer insights into some of the men who were wounded on this land. The park does a great job quickly orienting visitors and explaining where they stand in relation to the events that occurred on the battlefield. Ox Hill Battlefield Park is located at 4134 West Ox Rd, Fairfax, VA 22033.

Perfect for a cyclist, kayaker, hiker, or mini-golf enthusiast, **Fountainhead Regional Park** is the best place to escape from the hustle and bustle of Northern Virginia. Bikers at all ability levels will enjoy

the loops and features of the mountain bike trail and kayak, power boat, and canoe rentals are available. Don’t forget your fishing pole! The reservoir is regularly stocked and is home to largemouth bass, catfish, crappie, perch, and bluegill. **Fountainhead Regional Park** is located at 10875 Hampton Rd, Fairfax Station, VA 22039.

One of our most visited “one-stop shops” is **South Run RECenter**. Not only does it feature a two-story fitness center with heated indoor pool and pool side spa, but the surrounding park offers soccer and baseball/softball fields, two tennis courts, two outdoor basketball courts, a field house with newly installed athletic turf playing surface, accessible playground, and an off-leash dog area. **South Run RECenter** is located at 7550 Reservation Dr, Springfield, VA 22153.

Peterson’s Ice Cream Depot is a family owned and operated business in Historic Clifton. And, let me tell you, they serve some of the best gourmet ice cream in Northern Virginia. While you’re there, make sure to pick up a Pat Herry Root Beer Soda Shake – it’s not your usual ice cream float! Peterson’s Ice Cream Depot is located at 7150 Main St, Clifton, VA 20124.

Acres of undisturbed woodland, quiet trails, splashing streams and a tranquil pond are just a few of the reasons to visit **Hidden Pond Nature Center**. The nature center, which is accessible to everyone, features exhibits and live displays which orient you to the park and the natural world of Fairfax County. In addition, the center has a small sales area featuring books and other items for the nature enthusiast and nature study areas for group visitors. Hidden Pond Nature Center is located at 8511

Greeley Blvd., Springfield, VA 22152.

Don’t miss Fairfax’s own little slice of paradise: the award-winning **Paradise Springs Winery**. The land the winery was built on has remained in the same family since Lord Fairfax granted it to them in 1716. Head down on Friday nights between 5 and 9 pm to hear live music and best wine in Fairfax County. Paradise Springs Winery 13219 Yates Ford Rd, Clifton, VA 20124.

One of the region’s largest shopping destinations in Fairfax, **Fair Oaks Mall** features a collection of 200 shops, services and dining establishments in an enclosed, two-story retail center. The mall offers one of the most diverse and compelling retail and dining collections under one roof and is the perfect destination on a sweltering or rainy weekend afternoon. Fair Oaks Mall is located at 11750 Fair Oaks Mall, Fairfax, VA 22033.

Fairfax Station Railroad Museum is Fairfax County’s “Little Gem”. It was the last operating railroad station in Fairfax County, closing in 1973. It was built primarily to transport farm products to the Potomac River area. Museum displays and events help preserve the local history. Come and explore the fascinating story of our local community. The Museum may also be rented out to hold special events. **Fairfax Station Railroad Museum is located at 11200 Fairfax Station Rd, Fairfax Station, VA 22039.**

Learn valuable collaboration skills at **Hemlock Overlook Regional Park**, a fully equipped Outdoor Education Center. Take your family, friends, or co-workers to navigate the challenging rope course and zip line. Designed to bring school groups,

office teams and community groups alike together to collaborate and solve real life challenges in the outdoors. Hemlock Overlook Regional Park is located at 13220 Yates Ford Rd, Clifton, VA 20124.

Any golfers in your family? **Twin Lakes Golf Course** offers golfers the opportunity of a full day of golf with two 18-hole courses. The Oaks’ par 71 and 6,715 yards challenge all golfers with multiple tees to ensure a fair test for all playing abilities. Every hole except one is tree-lined on both sides of the fairway, making accuracy the primary goal off the tee. The Lakes Course features a par-72 and 6,695-yard experience that requires more distance off the tee, but is much more forgiving than the Oaks Course. Twin Lakes Golf Course is located at 6201 Union Mill Rd, Clifton, VA 20124.

Most importantly, if there is ever anything my office can do for you, do not hesitate to ask. I have always agreed with Thomas Jefferson’s notion that government closest to the people is best, and you cannot get much closer to the people than being a Supervisor. Our jobs are multi-faceted; I would go as far to say that somewhere around 80 percent of an individual’s contact with government at any level is at our level. Whether it’s land use, transportation, public safety, or taxation related, my staff and I are always here to answer your questions.

How to Vote

Every year is election year in Virginia; mechanics and details of voting require attention to detail.

While the Presidential election will take top billing, every seat in the U.S. Congress is on the ballot, with one hotly contested race in Northern Virginia.

In Fairfax County, voters will decide whether to enact a four percent meals tax, a topic voters will hear a lot more about in coming weeks.

The Town of Herndon will have its first November election, moving from May in past elections, with the office of Mayor and six Town Council seats on the ballot.

Fairfax County voters will decide on three bond questions, including \$120 million in transportation bonds for Metro; \$107 million in bonds for parks; and \$85 million for building and renovating senior and community centers, and homeless shelters. More at <http://www.fairfaxcounty.gov/bond/>

Ballot Question, Meals Tax

<http://www.fairfaxcounty.gov/mealstax/>
Fairfax County voters will vote yes or no on establishing a 4 percent meals tax. The Connection will publish stories and letters in coming weeks on both sides of this issue.

QUESTION:

State law authorizes counties, cities, and towns to levy a tax on prepared food and beverages, commonly called a "meals tax," subject to certain restrictions. Most coun-

ties, including Fairfax County, may levy a meals tax only if the voters approve the tax by referendum.

The question presented in this referendum asks Fairfax County voters whether the Board of Supervisors should be authorized to levy a meals tax, at a rate not to exceed four percent of the amount charged for the taxable food and beverages.

70 percent of the net revenues would be dedicated to Fairfax County Public Schools; 30 percent of the net revenues would be dedicated to County services, capital improvements and property tax relief.

The question also states that the Board of Supervisors' reason for seeking authority to impose a meals tax is to reduce the county's dependence on real estate taxes. Currently, nearly 65 percent of Fairfax County's General Fund budget relies upon real estate taxes. State law limits what the county can tax and how it may otherwise raise revenue. Almost 90 percent of Fairfax County non-property tax revenues are capped, limited, or controlled by the state. A meals tax would give the County a new source of revenue, which would help diversify the County's revenue base. At the maximum four percent tax rate, a meals tax would generate an estimated \$99 million per year, with a significant percentage paid by non-county residents.

A number of area jurisdictions already impose a meals tax, including Arlington County, the cities of Alexandria, Falls Church, and Fairfax, and the towns of Herndon and Vienna.

Four Bond Questions

<http://www.fairfaxcounty.gov/bond/>

TRANSPORTATION BONDS, Yes or No
Shall the Board of Supervisors of Fairfax

County, Virginia, contract a debt, borrow money and issue bonds, in addition to bonds previously authorized for transportation improvements and facilities, in the maximum aggregate principal amount of \$120 million to finance Fairfax County's share, under the Washington Metropolitan Area Transit Authority Compact, of the cost of constructing, reconstructing, improving and acquiring transportation improvements and facilities, including capital costs of land, transit facilities, rolling stock and equipment in the Washington metropolitan area, and to finance improvements to primary and secondary State highways and ancillary related improvements and facilities?

PARKS AND PARK FACILITIES BONDS, Yes or No

Shall the Board of Supervisors of Fairfax County, Virginia, contract a debt, borrow money and issue bonds, in addition to bonds previously authorized for parks and park facilities, in the maximum aggregate principal amount of \$107,000,000: (i) \$94,700,000 principal amount to finance the Fairfax County Park Authority's cost to acquire, construct, develop and equip additional parks and park facilities, to preserve open-space land, and to develop and improve existing parks and park facilities; and (ii) \$12,300,000 principal amount for Fairfax County's contribution to the Northern Virginia Regional Park Authority to acquire, construct, develop and equip parks and park facilities?

HUMAN SERVICES/COMMUNITY DEVELOPMENT BONDS, Yes or No

Shall the Board of Supervisors of Fairfax County, Virginia, contract a debt, borrow money and issue bonds in the maximum aggregate principal amount of \$85,000,000 to provide funds to finance the cost of human services facilities and community development facilities, including the construction and reconstruction of community centers and shelters and the acquisition of land and equipment or interests therein?

❖ Replace the Sully Senior Center and a build new Lorton Community Center (\$37 million)

❖ Renovate, expand or replace four emergency shelters for people who are homeless: Patrick Henry, Embury Rucker, Eleanor Kennedy, and Bailey's (\$48 million)

Virginia has a stringent voter identification requirement, plan to bring photo identification with you to vote, whether that is absentee or on Election Day.

Among accepted ID: valid Virginia Driver's License or Identification Card; valid Virginia DMV issued Veteran's ID card; valid U.S. Passport; other government-issued photo identification cards issued by the U.S. Government, the Commonwealth of Virginia, or a political subdivision of the Commonwealth; valid college or university stu-

dent photo identification card from an institution of higher education located in Virginia; valid student ID issued by a public school or private school in Virginia displaying a photo; employee identification card containing a photograph of the voter and issued by an employer of the voter in the ordinary course of the employer's business.

Any registered voter who does not have one of the required forms of identification can apply for a free Virginia Voter Photo Identification from any general registrar's office in the Commonwealth. Voters applying for the Virginia Voter Photo ID complete the Virginia Voter Photo Identification Card Application, have their picture taken, and sign the digital signature pad. Once the application is processed, the card will be mailed directly to the voter.

A voter who does not bring an acceptable photo ID to the polls will be offered a provisional ballot.

Provisional Ballot Process for Voters Who Arrive Without Identification

If you arrive at your polling place on Election Day without an acceptable form of photo identification, don't panic or give up. You will be given the opportunity to vote a provisional ballot. After completing the provisional ballot, the individual voting will be given written instructions from the election officials on how to submit a copy of his/her identification so that his/her vote can be counted.

A voter will have until noon on the Friday following the election to deliver a copy of the identification to the local electoral board or to appear in person to apply for a Virginia Voter Photo ID Card. Voters may submit a copy of their ID via fax, email, in-person submission, or through USPS or commercial delivery service. Please note that the copy of the ID must be delivered to the electoral board by noon on Friday, or the provisional ballot cannot be counted.

Also by noon on Friday following the election, the voter may

appear in-person in the office of the general registrar, in the locality in which the provisional ballot was cast, and apply for a Virginia Voter Photo ID Card. At the completion of the application process, the voter may request a Temporary Identification Document. This document may be provided to the electoral board to suffice the identification requirement.

Constitutional Amendments

Two proposed Virginia Constitutional Amendments will also be on the ballot:

Ballot Question 1: Should Article I of the Constitution of Virginia be amended to prohibit any agreement or combination between an employer and a labor union or labor organization whereby (i) nonmembers of the union or organization are denied the right to work for the employer, (ii) membership to the union or organization is made a condition of employment or continuation of employment by such employer, or (iii) the union or organization acquires an employment monopoly in any such enterprise?

The proposed amendment places the provisions of Virginia's right to work law into the Constitution of Virginia. While Virginia law may be amended by any future General Assembly, a constitutional prohibition can only be changed by a future constitutional amendment approved by the voters.

Ballot Question 2: Shall the Constitution of Virginia be amended to allow the General Assembly to provide an option to the localities to exempt from taxation the real property of the surviving spouse of any law-enforcement officer, firefighter, search and rescue personnel, or emergency medical services personnel who was killed in the line of duty, where the surviving spouse occupies the real property as his or her principal place of residence and has not remarried?

Welcoming Business Community

Northern Virginia Chamber of Commerce welcomes newcomers to the area. are the leading advocate for innovative solutions our region's connectivity challenges.

BY JIM CORCORAN
PRESIDENT AND CEO, NORTHERN VIRGINIA CHAMBER OF COMMERCE

I am pleased to welcome you to Northern Virginia on behalf of the Northern Virginia Chamber of Commerce (Northern Virginia Chamber) and the regional business community.

The Northern Virginia Chamber is The Voice of Business in Northern Virginia, representing nearly 700 member companies which in total employ more than 500,000 members of our regional community.

While our direct actions are targeted towards our business members, we always have this wonderful community in mind. Our strong economy provides a base on which families may flourish.

Northern Virginia is one of our country's greatest success stories, and without a thriving business community, we would not have the flourishing retail centers, competitive real estate, or world-class education system that our region proudly boasts. Because of this, Northern Virginia attracts the nation's leading businesses, including nine Fortune 500 headquarters and 125 Inc. 5000 companies.

Our business community is not only successful in keeping our economy healthy, but also in working to better our community and quality of life. Between 2014 and 2016 the Chamber made more than \$60,000 in direct cash donations to nonprofits through the collective power of our members and distributed more than \$60,000 in scholarships to family members of our first responders. It is exciting to see companies step up and support the many worthy causes across our region.

The Northern Virginia Chamber advocates for issues that impact businesses, workers, and residents alike, specifically transportation improvements. We

The Northern Virginia Chamber was and continues to be a supporter of Metro expansion via the Silver Line and safety improvements system wide. The Chamber was also a long-time supporter of the I-495 HOT Lanes and I-95 Express Lanes.

Whether you use these or not, their availability has reduced congestion. Both projects were funded through unique public-private partnerships, bringing together government and business to solve regional transportation issues. We are excited to watch the same public-private solutions be applied to I-66 in the coming years. We were proud to advocate for these improvements in Richmond, and we stand ready to end the gridlock and unlock I-66 in our growing region.

And grow we shall. There is much to look forward to in Northern Virginia. We continue to attract and develop emerging industries, particularly cybersecurity, bioscience, and hospitality. Businesses and academia that have been strongholds in the area are expanding and innovating in their own industries. For example, the new Inova Center for Personalized Health will explore human genomics and George Mason University's Center for Innovation and Entrepreneurship provides students and alumni experiential learning opportunities to create value in the business world.

While Northern Virginia's economy has grown over the past few decades as compared to other major metropolitan regions, we have trailed over the last five years due to cutbacks in federal spending. In order to regain our region's standing as a leading economy, we must see the private, academic, non-profit, and government sectors innovate. Our future growth lies in our ability to cooperate as a region.

If you haven't yet, I encourage you to visit www.novachamber.org to learn more about what we're doing to build up the business community and better our region.

I look forward to working with you to ensure Northern Virginia remains a great place to live with support from an exceptional business community.

League of Women Voters

The League of Women Voters of the Fairfax Area (LWVFA) is a volunteer organization composed of men and women who are dedicated to making democracy work. It encourages active participation by citizens, but it does not support or endorse candidates. It conducts studies of important community issues, has monthly meetings during which members discuss these issues, and uses education and advocacy to influence public policy, at the local

level, in the interest of the public. It conducts candidate forums so that citizens can ask the candidates questions, candidates can answer those questions and also interact directly with the public. LWVFA also registers voters and provides them with unbiased information about the voting process, issues of interest, and elections. NEWCOMERS & COMMUNITY GUIDE

Greater Transparency in Policing

BY COLONEL EDWIN C. ROESSLER JR.
CHIEF OF POLICE

Dear Community Members:

The Fairfax County Police Department was established on July 1, 1940 and today we have an authorized strength of 1,406 sworn law enforcement officers. Our greatly engaged community exceeds 1.1 million residents which continues to assist us in preventing and fighting crime, increasing the culture of safety to preserve the sanctity of life for all, and to keep pace with rapid urbanization.

Your Police Department proactively undertook an independent review of its use of force training, and related policies and procedures conducted by the Police Executive Research Forum. A further review generating additional change recommendations has been conducted by the County's Ad Hoc Police Practices Review Commission. The core theme of change is adopting the philosophy of the sanctity of life in all we do. As I have discussed in multiple public forums to include the Public Safety Committee of the Fairfax County Board of Supervisors, your police department embraces reengineering the law enforcement profession and we are proud to be national leaders truly engaged with creating change with an engaged community.

The Fairfax County Board of Supervisors has endorsed our reengineering of the policies governing the use of force which value the sanctity of human life. The Police Department has adopted policies and practices which utilize the Critical Decision Making Model to ensure that all actions are proportionate, lawful, accountable, necessary, and ethical. Your Police Department has mandated annual in-service training on use of force critical decision-making because the essential knowledge and skills are considered "perishable," therefore rendering training on an annual basis a necessity.

The final report issued by the Ad Hoc Commission included recommendations made by its Independent Oversight and Investigations Subcommittee. These recommendations, the subject of current deliberation by the Public Safety Committee of the Fairfax County

Board of Supervisors, propose the creation of a Police Auditor position and establishment of a Civilian Review Panel. The Police Department welcomes immediate implementation of both as they maximize accountability through transparency, and will lead to higher levels of public trust and confidence in the Police Department.

The Police Department is committed to enhancing its transparency at all levels and we have established policies and procedures in coordination with the Board of Supervisors to achieve maximum communication with the communities we serve. Throughout the remainder of 2016 and into 2017 we will continue to reengineer our profession in many operational and administrative areas to achieve effective change while increasing community engagement.

In 2014 the Police Department began a self-assessment process to align its policies and procedures to comply with 484 national standards established by the Commission on Accreditation for Law Enforcement Agencies (CALEA). The required on-site assessment was conducted by assessors from outside Virginia in early 2016, and CALEA accredited status was awarded on July 30, 2016.

The Police Department, along with the Community Services Board, other public safety agencies, and mental health advocates partnered to implement the Diversion First program which provides a viable jail diversion alternative for those in mental health crisis. Our police officers receive Crisis Intervention Team (CIT) training to prepare them to recognize when persons are experiencing a mental health crisis and how best to de-escalate such initial encounters. Our CIT-trained officers now have the Merrifield Crisis Response Center, as well as two Mobile Crisis Units, enabling them to offer persons in crisis the mental health services they may require.

Welcome to Fairfax County and we encourage you to engage with your Police Department as we all continue to make our County a great place to live, work, play, and grow old. To learn more about the Fairfax County Police Department, please visit <http://www.fairfaxcounty.gov/police/>

Keeping Youth Safe, Healthy and Drug Free

Looking for ways to keep Fairfax County youth and young adults safe, healthy and drug free? Then check out getting involved with the nonprofit Unified Prevention Coalition of Fairfax County (UPC).

UPC will hold its school year kickoff meeting on Monday, Sept. 26. Come to "Taste of UPC" and learn about the programs offered by UPC to educate parents and youth about the issues of underage and binge drinking, marijuana and prescription medicine abuse as well as the growing problem of heroin in the community. Refreshments will be served at 6:30 p.m., followed by the program at 7 p.m. at the Fairfax County Public Schools' Gatehouse Administration Center (First Floor

Café), 8115 Gatehouse Road in Falls Church.

High school youth are invited to learn more about the UPC Youth Council, which aims to include two representatives from each high school. Youth Council members help create youth-directed prevention activities, develop leadership and advocacy skills and gain volunteer and service hours by becoming active and helpful members of the community.

UPC partners with more than 60 organizations and needs your help to make a difference. For more information, contact UPC at 703-938-8723 or check out the group's website at www.unifiedpreventioncoalition.org. Donations are appreciated and can be made online via the group's website.

Welcome Neighbors!

Take full advantage of everything the Braddock District, and Fairfax County, has to offer.

BY JOHN COOK
SUPERVISOR (R-BRADDOCK)

Thank you for choosing to make Fairfax County your new home! As you will quickly find out, there is no shortage of activities here, and let me be the first to tell you what's going on around town.

As summer winds down, and we all make the long trip back from the beach, you'll notice that there are a ton of events throughout September in which to take part. Personally, one of my favorite events in the Braddock District is the annual Burke Centre Festival, set this year for Sept. 10 and 11. Admission is free, and this year's festival will feature a massive arts and crafts show, karaoke, Fire and Rescue displays, live dance, musical entertainment, and much, much more. This event is incredible (and incredibly huge) so you owe it to yourself to come out and enjoy it.

As much as I love talking with my constituents and neighbors, I also enjoy taking some time to relax with nature. There are more than 900 miles of trails here in Fairfax County, and I am a particularly lucky Supervisor in that I represent a district with some fantastic parks and trails. One of my favorite spots is Lake Accotink, which boasts a carousel, bike rentals, a great snack bar, and mini golf. Accotink

has a sand volleyball and basketball court that you can take full advantage of, and, on some Saturday nights, Accotink even hosts campfires and gatherings. Events like these, focused on community involvement and interconnectedness, help make the Braddock District and Fairfax County the best

places to be.

Yes, summer is almost over, but that doesn't mean the fun has to be. Grab your friends, the family, and head out to Mount Vernon, Ox Hill Battlefield Park, or another famed historical site in the County and soak it all in. You can barely get around here without stumbling upon something with historical significance, and most of these treasures are totally free.

There are great sites, great restaurants, and a ton of things to do and see in my district.

Grab a bite to eat over at Fairfax Corner or head into Fairfax City for the day. The possibilities are truly endless.

Take full advantage of everything the Braddock District, and Fairfax County, has to offer with your friends and family. In these next few weeks, I challenge you to get out there and find out what you love to do in our community- just don't be overwhelmed with all the options!

Members of the Youth Council of the Unified Prevention Coalition of Fairfax County joined students from around the state in July at the annual Youth Alcohol and Drug Abuse Prevention Project (YADAPP) at Longwood University. This is the fifth year UPC has sent its students to the annual leadership conference.

The education department supports both the visual and performing arts, offering classes and workshops in a variety of disciplines. Future plans for the Workhouse include an event center, amphitheater, Workhouse Theatre, restaurants, apartments, music barn and garden/horticultural area. Other buildings on site, yet to be renovated, may provide for other activities such as a visitors center, a blacksmith shop, theatre scene shops and rehearsal space.

OUR CONGRESSWOMAN

BARBARA COMSTOCK

GETTING RESULTS FOR US

For 35 years, Barbara Comstock has lived, worked, raised a family, started a business and served as both Delegate and Congresswoman in the 10th District. Whether it was her work as a senior Justice Department official, a small businesswoman, a Mom at home, a senior aide and counsel in Congress, a Member of the House of Delegates or now as our Congresswoman, Barbara knows the challenges facing the 10th District because she has lived them with us and fought for us to get results on our priorities.

- › Advance breakthroughs in 21st century cures for chronic disease such as cancer, Alzheimer's and diabetes.
- › A 5 year Transportation Bill, signed into law, which will help relieve traffic congestion, provide more transportation funds, and make Metro safer and more accountable.
- › A \$600 billion tax relief package, signed into law, for families, small businesses and our technology and defense businesses.
- › Increased defense and cyber funding to protect us from terrorism.
- › Human Trafficking legislation, signed into law, that cracks down on this growing crime and protects women and children.
- › Started two Heroin Task Forces to battle the heroin scourge in our communities and advancing legislation to increase education, treatment and prevention.
- › Started the "10th Congressional District Young Women Leadership Program" for junior high and high school young women.

"As your Congresswoman, I will continue to work tirelessly to strengthen our national security and protect us from terrorism; advance breakthroughs in 21st century cures for chronic diseases such as cancer, Alzheimer's and diabetes; promote a 21st century economy with more opportunity and higher wage jobs; provide transportation funding and solutions; and fight the growing problem of human trafficking and heroin abuse in our community."
