BY SUPERVISOR
JOHN C. COOK
R-BRADDOCK DISTRICT

It is an honor to welcome you to Fairfax County and the Braddock District. As you will soon discover, this County is filled with activities, resources, and opportunities for all to enjoy. I would like to highlight a few in Braddock.

Autumn is the perfect time to explore Braddock's lakes and parks. Lake Accotink Park has everything you need for a full day of fun. It offers mini-golf, boat rentals, a four-mile loop trail, carousel, and snack bar. Many families enjoy frequenting Royal Lake Park where playgrounds and basketball courts can keep children amused for hours. Residents can also go on a stroll or run on its 1.8-mile lakeside trail. Nature lovers and outdoorsmen will feel right at home here.

One problem we do have is choosing where to eat with so many wonderful restaurants nearby. University Mall, located right by George Mason University, has plenty of eateries, shops, a newly renovated Giant grocery, and the University Mall Theatres. One of its newer additions is the Oh! George Tables & Taphouse, where you can enjoy a craft beer with a wood fired pizza.

Fairfax Corner is another exceptional shopping center with popular restaurants including Ozzie's Good Eats, Craffhouse, and Uncle Julio's. After a meal you can watch a movie at the Cinemark Fairfax Corner 14 Theater, take the kids to the "splash pad," or go shopping at the numerous boutiques throughout the main street-style center. We also welcomed several new restaurants to the community this year, including Chick-Fil-A, CAVA, and Waranku. The amount of restaurant choices here is pleasantly overwhelming.

HISTORY BUFFS will love visiting the historic Oak Hill Mansion and Wakefield Chapel. The Oak Hill Mansion in

Lake Accotink Park is a perfect place to enjoy the natural beauty of Fairfax.

PHOTO COURTESY OF PARK AUTHORITY

Annandale is a Georgian Style manor built in 1790. It is the last standing of three properties owned by the Fitzhugh family, who played significant roles in the Revolutionary War and Civil War. The mansion was also the site of a pivotal Civil War ambush called the "Oak Hill Kitchen Skirmish."

Another popular historic landmark is Wakefield Chapel. Built in 1899, this place of worship was named after a Union soldier-turned-pastor named E.W. Wakefield. Visiting these sites helps you understand the significance Braddock played in the course of American history.

The Braddock district has a strong tradition of providing music and cultural events to the community. At George Mason University's EagleBank Arena, locals can see the hottest musical acts and entertainers year round in the 10,000 seat stadium. Also on campus, is George Mason's Center for the Arts. Every year students, faculty, and renowned international artists present the best of classical music, opera, jazz, world music, dance, theater, global music and dance, and more. There is never a lack of cultural events in Braddock.

FINALLY, a newcomer's guide to Braddock would be incomplete without highlighting the unique educational opportunities in the area. Our elementary and middle schools receive top scores in standardized testing every year. Meanwhile our three top-rated high schools — Lake Braddock, W.T. Woodson, and Robinson — continue to win national recognition in sports, music, and education.

George Mason University and Northern Virginia Community College offer first-rate higher education to Braddock residents and contribute immensely to the Braddock neighborhood.

I hope you take advantage of everything Braddock has to offer. If you have any questions on local government matters or the area please call my office at 703-425-9300. As always, I am honored and pleased to serve you as your Braddock District Supervisor.

NEWCOMERS & COMMUNITY GUIDE

About the Connection

As your local, weekly newspaper, the Connection's mission is to deliver the local news you need, to help make sense of what is happening in your community, to advocate for community good, to provide a forum for dialogue on local concerns, and to record achievements, milestones and events in the community and people's lives.

Here in our Newcomers and Community Guide, we report on the character of your community, we include details of how to vote in the upcoming elections, information on local government, nonprofits and business organizations, plus tips and tidbits from the community.

In 2016 alone, Connection papers won dozens of awards, including the top Virginia Press award — for Integrity and Community Service, for our coverage of police reform and related issues.

We invite newcomers and long-time residents alike to let us know how we're doing and let us know what is going on in your part of the community. If you have questions or ideas, send us an email. We invite you to send letters to the editor or to send an email with feedback about our coverage.

We want to know if someone in your family or your community published a book, started a business, became an Eagle Scout, raised money for a good cause, accomplished some feat like running a marathon, supporting a cause or having art included in an art show. We publish photos and notes about personal milestones and community events, including births, engagements, weddings, anniversaries, awards and obituaries.

We are also interested in events at your church, mosque, synagogue, community center, pool, school, club, etc. Email us a note about the event, being sure to include when and where the photo was taken and the names of all the people who are in a photo.

Local Media Connection writers and photographers won 37 Virginia Press Association awards for work in 2016, including the Virginia Press Association Award for Journalistic Integrity and Community Service. Pictured here from left: John Bordner, Mark Mogle, Mary Kimm, Shirley Ruhe, Tim Peterson, Vernon Miles, Eden Brown, Andrea Worker and Jeanne Theismann.

We also publish notes about news and events from local businesses. Notes about openings, new employees and anniversaries are welcome. It is especially important to us to let people know about events ahead of time in our calendar of events. We appreciate

getting notice at least two weeks ahead of the event, and we encourage photos.

Your community Connection newspaper is one of 15 papers published by the independent, locally owned Local Media Connection LLC, serving the suburbs of Metro-

politan Washington in Northern Virginia and Potomac, Md.

Our flagship paper, the Alexandria Gazette Packet, is one of the oldest continuously publishing papers in the country, beginning publication in 1784.

How To Vote

Every year is election year in Virginia; mechanics and details of voting require attention to detail.

Voting early if you qualify is a good choice.

There are 19 valid reasons to vote absentee in Virginia, including working and commuting to and from home for 11 or more hours between 6 a.m. and 7 p.m. on Election Day. Check the Virginia Department of Elections list to see if you are eligible: elections.virginia.gov/casting-a-ballot/absentee-voting/index.html

There are two ways to vote absentee, in-person and by mail. To do either, you should first check your voter registration status to make sure it is up-to-date. Then you will need to apply for an absentee ballot. Note: If you vote absentee in-person you will fill out the application when you arrive at the in-person absentee location (see locations below). Voting absentee by mail? Read below for the process of applying for your mail-in ballot.

You can now apply for an absentee ballot online with the state's new Citizen Portal. You will need your Social Security Number and information on your Virginia Driver's License to complete the application. Information is also provided on how to apply if you do not have a driver's license.

Virginia Voter ID

Virginia has voter identification requirements, plan to bring photo identification with you to vote, whether that is absentee or on Election Day.

Among accepted ID: valid Virginia Driver's License or Identification Card; valid Virginia DMV issued Veteran's ID card; valid U.S. Passport; other government-issued photo identification cards issued by the U.S. Government, the Commonwealth of Virginia, or a political subdivision of the Commonwealth; valid college or university student photo identification card from an institution of higher education located in Virginia; valid student ID issued by a public school or private school in Virginia displaying a photo; employee identification card containing a photograph of the voter and issued by an

employer of the voter in the ordinary course of the employer's business.

Any registered voter who does not have one of the required forms of identification can apply for a free Virginia Voter Photo Identification from any general registrar's office in the Commonwealth. Voters applying for the Virginia Voter Photo ID complete the Virginia Voter Photo Identification Card Application, have their picture taken, and sign the digital signature pad. Once the application is processed, the card will be mailed directly to the voter.

A voter who does not bring an acceptable photo ID to the polls will be offered a provisional ballot.

Provisional Ballot Process for Voters Who Arrive Without ID

If you arrive at your polling place on Election Day without an acceptable form of photo identification, don't panic or give up. You will be given the opportunity to vote a provisional ballot. After completing the provisional ballot, the individual voting will be given written instructions from the election officials on how to submit a copy of his/her identification so that his/her vote can be counted.

A voter will have until noon on the Friday following the election to deliver a copy of the identification to the local electoral board or to appear in person to apply for a Virginia Voter Photo ID Card. Voters may submit a copy of their ID via fax, email, in-person submission, or through USPS or commercial delivery service. Please note that the copy of the ID must be delivered to the electoral board by noon on Friday, or the provisional ballot cannot be counted.

Also by noon on Friday following the election, the voter may appear in-person in the office of the general registrar, in the locality in which the provisional ballot was cast, and apply for a Virginia Voter Photo ID Card. At the completion of the application process, the voter may request a Temporary Identification Document. This document may be provided to the electoral board to suffice the identification requirement.

NEWCOMERS & COMMUNITY GUIDE

Welcome to Fairfax County: 'Work Hard, Play Hard'

BY SHARON BULOVA
CHAIRMAN
FAIRFAX COUNTY BOARD OF
SUPERVISORS

Welcome to Fairfax County, one of the greatest places in the nation to live, work, play and raise a family. Fairfax County is home to a thriving business community, vibrant entertainment and shopping destinations, a world class university, beautiful parks and a diverse population of engaged residents. Whether you are a long time resident or new to the county, I hope you'll take some time to visit some of our most popular spots and enjoy what Fairfax County has to offer.

Tysons Corner Center, Fair Oaks Mall, Reston Town Center, Fairfax Corner, Springfield Town Center and the Mosaic District are great places to shop, eat and spend time with friends. For cultural destinations, George Washington's Mount Vernon Estate, Wolf Trap National Park for the Performing Arts and the Workhouse Arts Center in Lorton are some of my favorites. For fresh air and exercise, I recommend our extensive network of trails, parks and RECenters.

While there are a lot of fun things to do in Fairfax County, our community is notorious for our "work hard, play hard" ethic. Time Magazine has described us as the epicenter of the Washington region's job boom and one of the great economic success stories of our time. Fairfax County is home to nine Fortune 500 company headquarters, approximately 9,000 tech businesses and over 116 million square feet of office space.

Fairfax County has one of the best public school systems nationwide with a graduation rate of nearly 93 percent. Fairfax County Public Schools is the third largest employer in Virginia and the 10th largest school system in the country with more than 189,000 students. After high school graduation, George Mason University and Northern Virginia Community Col-

lege are located just down the road for affordable higher education opportunities in many different subject fields. Our business-friendly economy offers a wide array of impressive career opportunities for both our older and younger residents.

On the local government level, the Fairfax County Board of Supervisors is constantly hard at work to ensure quality public services for our residents. Our 10-member Board of Supervisors strives to maintain positive community engagement, while strategically planning for the future with land use and infrastructure decisions.

Some recent Fairfax County accomplishments include updating many of our police policies, establishing a Diversion First program for people with mental illness who become involved with law enforcement, and successfully extending Metrorail to Tysons and Reston. Phase 2 of Metro's Silver Line is currently under construction and will extend all the way to Dulles Airport and into Loudoun County.

Fairfax County offers opportunity and quality services for residents of all ages. People from all over the globe have made Fairfax County their home, enriching our community with their diverse cultures and entrepreneurship. In Fairfax County, we believe we must all do our part to set a positive tone of acceptance, inclusiveness and kindness.

As chairman of the Board of Supervisors, I am elected at-large by Fairfax County residents. My office is here to serve you. If you have any questions or concerns, please email me at chairman@fairfaxcounty.gov or give my office a call at 703-324-2321. I hope you will sign up to receive my monthly Bulova Byline newsletter that will keep you up-to-date on what is happening in your new community. I also encourage you to visit fairfaxcounty.gov and fxva.com to see what Fairfax County has to offer you and your family every season and every day. Welcome to your new home.

Striving To Make Democracy Work

The League of Women Voters of the Fairfax Area (LWVFA) is a nonpartisan, volunteer organization composed of men and women who are dedicated to making democracy work. Since it is nonpartisan, it does not support or endorse candidates. It registers voters and provides them with unbiased information about the voting process, issues of interest, and elections. It encourages active participation of citizens

by holding candidate forums, so they can meet and ask questions of the candidates who are running for office. It conducts studies of important community issues, has monthly meetings during which members discuss these issues, and uses education and advocacy to influence local public policy in the interest of the public. To learn more about this organization or to join, go to www.lwv-fairfax.org.

Service for Seniors Who Want to Serve

RSVP is the region's largest volunteer network for people 55 and older, providing individualized support to seniors seeking service opportunities in and around Fairfax County, Arlington County and the City of Alexandria.

RSVP offers opportunities for volunteers including providing rides, support and meals to older neighbors, assisting local veterans in need and helping prepare communities for disasters. RSVP also recruits volunteers for community events throughout the year.

RSVP volunteers enjoy flexible schedules, free accident and liability insurance while serving, optional mileage and meal reimbursement and are invited to group projects and social gatherings with other RSVP volunteers.

To sign up for an upcoming RSVP orientation email Carly Hubicki at chubicki@volunteerfairfax.org or call RSVP at 703-403-5360. To learn more about RSVP, visit www.rsvpnova.org.

Back to FCPS

BY SCOTT S. BRABRAND,
Ed.D.
SUPERINTENDENT OF SCHOOLS

It is great to be back in the Fairfax County Public Schools (FCPS) family! I am returning to FCPS after spending the past five years as superintendent of Lynchburg City Schools. My family is also very excited to be back; my two sons will be attending Fairfax High School this year, the same school where I once served as principal. I always dreamed of coming back to FCPS and it is an honor for me to have the opportunity to lead this amazing school system.

I was a career changer, after doing volunteer work in the schools, and began in FCPS as a social studies teacher in 1994. I also served as an assistant principal at Herndon High and an associate principal at Lake Braddock Secondary School before being named principal at Fairfax High School in 2005. In 2009, I was named the cluster assistant superintendent for schools in the Hayfield, West Potomac and Mt. Vernon pyramids.

As your superintendent, I am making Fridays my school days. I want to visit our schools to understand the work and the challenges our teachers, administrators and employees face, to understand what is happening "on the ground" so I can be better informed when making decisions.

I am committed to following through on the work of my predecessor, Dr. Karen Garza, who established Portrait of a Graduate — the 21st century learning model that our system has embraced — that focuses on the skills necessary for our students to succeed in college and beyond. As a school division, we are committed to achieving this goal for every student, in every classroom, in every school. We can we make this vision happen through ...

Excellence: We need to make sure every student and family has an excellent experience during their time with us. This also requires our employees to be fully invested in the important work they do every day.

I want to visit our schools to understand the work and the challenges our teachers, administrators and employees face, to understand what is happening "on the ground" so I can be better informed when making decisions.

**Scott S. Brabrand, Ed.D.,
Superintendent of Schools**

Equity: FCPS is a microcosm of the world with students and families who come from all backgrounds and cultures. We will ensure that all students reach Portrait of a Graduate outcomes by addressing opportunity, access and attainment gaps. Every child, by name and need, can succeed with the proper support.

Effectiveness: We need to ensure that FCPS is being effective and efficient. One step I am taking is to narrow down our strategic plan in order to focus our efforts on achievable priorities that we can do well this year as a school division. We will align our resources to these priorities.

Expectations: I want our employees to love kids. The personal connection that our students feel with their teachers and all of our employees is critical to their success. I want our employees to love teaching and learning which I know will positively impact a child every day, and I want our employees to be professional in their work and role models for our students.

All of the challenges we face as a community and a country can best be solved through public education and FCPS can and will lead the way.

I wish all students, teachers, and parents a very successful school year and I look forward to seeing you in your schools!

“There are many reasons that we moved to The Fairfax. The beautiful and spacious grounds, the activities, medical care, not having to cook anymore... Area Interstates Have Toll Lane Options

**Latest addition,
395 Express Lanes,
are scheduled to be
opened in 2019.**

BY MIKE SALMON

The introduction of the “express lanes,” on area highways have made tolls commonplace for anyone driving in the Northern Virginia area. These lanes on I-95, I-495, and I-395 are outfitted with overhead sensors instead of booths, and everything is done with the E-Z Pass or the E-Z Pass Flex which has a feature for high occupancy vehicles (HOV) to avoid the tolls by carpooling. The variable toll amount is calculated by traffic levels at that time, and this price is reflected on the overhead digital signs.

On I-495, commonly known as the Capital Beltway, the 495 Express Lanes stretch 11 miles from Springfield in the south to a point just past the Dulles Toll Road in the McLean area. These are two lanes in each direction that are in operation 24-hours a day.

The 95 Express Lanes stretch 29 miles from Alexandria inside the beltway, south to Route 610 in Stafford County. These lanes are “reversible,” meaning they are heading northbound in the morning,

and southbound in the afternoon and evenings during the week, and almost entirely southbound on the weekend.

The 395 Express Lanes are a continuation of these lanes inside the beltway, ending at the Potomac River. This project is just getting underway, and are scheduled to be opened in 2019. For now, the northern stretch of HOV lanes is still operating under the old rules, that requires a minimum of three passengers during rush hours, and open to anyone during non-rush hours.

In December this year, I-66 inside the beltway, from Arlington to Falls Church, will be a tolled facility but only on the eastbound lanes in the morning and westbound lanes in the afternoons. It will be toll-free for vehicles with at least two passengers for now, but that HOV requirement will change to HOV-3 in a few years when the I-66 express lanes outside the beltway open in 2022. In addition, the Virginia Department of Transportation is adding an additional lane on the eastbound side only, from the Dulles Access Road to Fairfax Drive, a distance of four miles.

On I-66 outside the beltway, officials are building one lane in each direction for 22 miles from Vienna to Gainesville, and there will be two express lanes on each side, similar to I-495. This project, priced at \$2.3 billion, is expected to be done in 2022.

The Dulles Access Road and the Dulles Greenway are toll facilities also but the access road still takes change as well as the E-Z Pass, and neither road has an HOV exception.
